## 1. What is Salary Packaging?

As an employee of a not-for-profit organisation, you are entitled to earn an additional portion of your income tax-free. The amount is **$15,900** a year, or **$611.50** a fortnight. All permanent employees (full and part time) are eligible. Casuals - check with Payroll.

A portion of your salary is deducted pre-tax and paid to your bank account each pay as a reimbursement of your bills. This payment is tax free. In reality, little changes, as you keep paying your bills, but you do get to enjoy a tax saving.

## 2. How Does it Work each Pay?

For example, the payslip of a person earning $60,000 looks like:

### Your Old Payslip

| | | | |
|---|---|---|---|
| Gross wage | $2,308 | | |
| Tax | ($430) | → | ATO |
| Net Wage | $1,878 pay day | → | bank |

### Your New Payslip

| | | | |
|---|---|---|---|
| Gross Wage | $2,308.00 | | |
| Salary Packaging | ($611.50) | ($15,900 / 26) pre-tax | |
| Admin Fee | ($5.50) | ($143 / 26) pre-tax | |
| New Gross | $1,691 | | |
| Less tax | **($222.00)** | → | ATO |
| 1. Net Wage | $1,469 pay day | → | bank |
| 2. Salary Package | $611.50 next day | → | bank |
| **Total Pay** | **$2,080** (an extra $202) | | |

Each fortnight you will now have two deposits (one taxed, one tax-free). To calculate your tax savings, go to **gosalary.com.au**
