Benefits

of working at Hammondcare

As an independent Christian charity, HammondCare champions life

HammondCare Benefits Program

At HammondCare, we recognise that our people are our most important asset.

So in addition to working as part of a values based Christian organisation, we offer our employees an extensive range of financial, leisure and work, health and wellbeing benefits with excellent education and professional development opportunities.

The benefits we provide complement our diverse workplace, being one with passionate and skilled people with a clear purpose of making a difference for those we care for. We celebrate and promote our achievements.

How we care for you while you care for others

Permanent staff have a range of lifestyle benefits that provide more opportunities for holidays and leave.

Purchased additional annual leave (PAAL)

PAAL allows you to purchase either one or two week's additional annual leave per year. So now you can enjoy extra flexibility around your holidays each year.

Paid parental leave

New benefits will offer 14 weeks paid maternity leave and one week paid paternity leave for all eligible permanent staff.

Grandparent leave

This means now you can use up to one day of your personal/carer's leave for each new grandchild. So you can take a day off around the time of birth of your grandchild, or shortly after.

Flexible working

At HammondCare we offer staff opportunities to work part time hours (dependent on your role and business requirements), and the ability to work from different locations.
